# BISHOP PETER'S FOREWORD

Dear Brothers and Sisters in Christ,

As we begin this Holy Year of 2025, let us reflect on the Jubilee's theme, "Pilgrims of Hope", which will greatly nourish our Diocesan family. The wealth of various celebrations, pilgrimages, and our young people's participation in Rome for the Jubilee for Youth, will not fail to strengthen bonds between us, and secure us yet more surely on the foundation of our Lord Jesus Christ. In the hope that comes from Him alone, we look to our own Diocesan Jubilee of 2026 and beyond.

We know that, continuing to walk together on our pilgrimage in the years to come, we shall encounter opportunities as well as trials for our mission; to bring the Gospel, by witness and word, to those around us. This is why we will undertake the next steps of the Consultation on Future Pastoral Provision.

Our Commission for the New Evangelisation is already at work, collating submissions from clergy and parishes alike, and I wish to thank all who have engaged so openly. Through this consultation, we are all able to better exercise our responsibility, in cooperation with the Holy Spirit, for responding with generosity and holiness to the calls and challenges of our time.

However, if this synodal process is to bear spiritual fruit, something more than the sum of our own plans and ideas, we must continue, each day, to allow God's transforming

grace to work within us, and to enrage our human relationships. With hearts then ablaze with divine love, the Holy Spirit both illumines our path ahead to an abundant harvest and enkindles that flame which we can share with others.

Pope Francis has recently reminded us, in his encyclical *Dilexit nos*, that humanity today seems to be losing its heart, its source of love, truth and compassion. Without those divine gifts, our civilisation is becoming ever more superficial, unable to recognise the beauty and dignity of all human life, and so the forces of evil, greed, despair and hatred are able to put down deeper roots. Our prayers for peace and justice must, therefore, be made fruitful by ensuring we are truly awake to our own hearts and the Sacred Heart of Jesus, and so shine as a light to those around us.

This task begins here and now, and we are assured of our hope as the working of the Spirit is ever-visible within the boundaries of East Anglia. Our clergy, religious, and lay faithful continue to bear witness to faith and hope, serving in the spirit of the great commandment of love. The expansive review of diocesan life over the past year contained in these pages bears powerful testimony to that fact, and I take this opportunity to highlight the great blessings I received on the Camino to Santiago accompanying some of our young people. The blisters have faded but abundant grace remains.

My sincere gratitude goes to Keith Morris and his team for their work in producing this publication, which remains an essential source of information.

Please be assured of my prayers, and I ask that you keep me ever in yours.

**Rt Rev Peter G Collins,  
Bishop of East Anglia**

**A challenging but rewarding 120km Diocese of East Anglia youth Camino in July, led by Bishop Peter Collins, followed the Way of St James from Portugal to Santiago de Compostela in NW Spain.**

Today, the Diocese incorporates the English counties of Norfolk, Suffolk and Cambridgeshire and the city of Peterborough.

### Catholic Certificate in Religious Studies (CCRS)

The Catholic Certificate in Religious Studies (CCRS) is managed and awarded by the Board of Religious Studies on behalf of the Bishops' Conference of England and Wales. Any person who is or wishes to be involved in Catholic education and formation may apply for this course. This includes those involved in Religious Education in schools, Parish Catechesis and other ministries in the Church and anyone who wishes to follow the course for faith development or personal interest. The course seeks to ensure that participants have at least a basic knowledge and understanding of the beliefs of the Catholic Faith. It also provides a basis for further study.

The course is designed for teachers in Catholic schools; that they may have a basic understanding of the Church, its teaching and way of life to enable them to contribute to the maintenance of the ethos of the Catholic school. It is also for catechists in order to give them a basic understanding of the faith of the Catholic Church as a foundation for their catechetical ministry, and for adult members of the Church to enable them to continue to grow in understanding as they live their Catholic faith.

## CARITAS EAST ANGLIA

Caritas East Anglia supports the poor and the marginalised in three ways: by promoting Catholic Social Teaching; through project grants and emergency aid; and by supporting those involved in social outreach. Our diocese is a member organisation of Caritas Social Action Network (CSAN) which is an agency of the Catholic Bishops Conference of England and Wales.

**Catholic Social Teaching** is the teaching of the Church on social responsibility, based on Papal Encyclicals and other documents. These reflect upon Jesus’ command to ‘love your neighbour as yourself’ (Mk 12:31) and show us how to share God’s love by our actions towards all our sisters and brothers. Articles exploring CST can be found in the diocesan paper and on our website: [www.rcdea.org.uk/catholic-social-teaching](http://www.rcdea.org.uk/catholic-social-teaching)

Financial assistance is available in two forms to those in need.

The **St Edmund’s Fund** provides crisis grants to individuals or families.

**Alive in Faith** grants are awarded to support local social outreach projects within parishes, examples of which can be seen on the diocesan website:

[www.rcdea.org.uk/caritas-east-anglia](http://www.rcdea.org.uk/caritas-east-anglia)

# Fr Anthony Asomugha

**On Saturday May 18, in a joyous celebration, Dcn Anthony Asomugha was ordained to the priesthood at the Cathedral of St John the Baptist in Norwich. Joshua Clovis reports.**

■ The ceremony was led by Bishop Peter Collins, with Bishop Emeritus Alan Hopes, also in attendance. Many other clergy members, family, friends, and parishioners joined in the celebration.

Fr Anthony Asomugha's family moved to the UK in 2006 and settled in South East London. He initially applied for priestly formation in the Southwark Archdiocese but was unsuccessful.

Following advice to pursue a university degree, he joined the diocese in 2011 as an undergraduate student in Economics at the University of East Anglia. Towards the end of his time at UEA, he reapplied for priestly formation and was accepted by Bishop Emeritus Alan. In the year of his graduation, 2014, he joined Allen Hall Seminary in Chelsea, London.

**Fr Anthony Asomugha is ordained by Bishop Peter Collins.**

Bishop Peter delivered the homily during the Mass, emphasizing the true calling of a priest. He said, "Understand clearly, from the outset, that the project and the intention that you are called to embrace is not that which is fashioned by yourself but rather that which is fashioned by Christ through the power of the Holy Spirit. A priest is called to offer himself, to sacrifice himself, in communion with Christ through the power of the Holy Spirit. In the midst of his fellow disciples, in the midst of all his brothers and

sisters, the priest is called to empty himself to the point where he has nothing to offer up other than Christ himself.

“In allegiance to the teaching of St Paul’s first letter to the Corinthians, which presents the earliest account of the institution of the Holy Eucharist, the priest must serve the “project and intention” of Christ himself and proclaim: this is what I received from the Lord, and in turn pass on to you – this is my body, which is for you – this cup is the new covenant in my blood.” After the homily, Fr Anthony Asomugha took his sacred vows, marking the start of his priestly journey.

Fr Anthony’s journey began very young. “I knew I wanted to be a priest from a very young age – about 6 or 7 years old,” he recalls. “As a child, I was fascinated with God, and I had (and still have) an appetite for philosophy and theology. I regard this appetite as a gift – to be interested in the truth, and in the meaning of life. Jesus said “no one can come to Me unless the Father draws him” (John 6:44) – this curiosity, fascination, or interestness, was me being drawn to the mystery of God. The liturgy with its drama and awesomeness fed my fascination with the transcendent. And it was upon seeing my parish priest ascend the sanctuary vested in his chasuble that I knew that I wanted to pray in that way – and so I did, with my altar, crucifix, Bible and (makeshift) chasuble – and I was genuinely praying, not acting.”

Reflecting on the day, and his first Mass the following day, Fr Anthony said: “The ordination ceremony was like a dream, as was the first Mass on Pentecost Sunday. Many thanks to all who attended, and to those who work to make these occasions a success. I am grateful to Bishop Emeritus Alan for his steadfast support of my vocation and to Bishop Peter for his confidence, support, and for the gift of Holy Orders. I am also grateful to all my friends for their support, to my family who never doubted my vocation, and to my parents who nourished my faith as a child. I look forward to being that definite instrument through which the mystery of the Eucharist draws more people unto eternal life.”

Following the Mass, there were photos, a large shared buffet, and an opportunity to receive a blessing from Fr Anthony.

## Fr John Morrill

**World-renowned historian, Cambridge professor and Newmarket Deacon, Rev John Morrill, was ordained to the Catholic priesthood at St John’s Cathedral in Norwich on September 21.**

■ A 250-strong congregation of clergy, family, friends, former students and university colleagues saw Dcn John, aged 78, ordained to the priesthood by Bishop Peter Collins.

In his homily, Bishop Peter said: “This man has heard the voice of God calling to him on so many occasions, a man who has willingly and generously responded to the call of Jesus in so many ways across a lifetime. John has a global academic reputation and has earned accolades and fellowships too many to mention. He has written a tottering tower of books and produced a cascade of learned papers and more projects approach completion even now. I cannot fail to mention how poignant it is that the world’s most renowned Cromwellian scholar is about to be ordained as a Catholic priest.

“This man has loved much and is loved much. It was your wife Frances who was your true tutor in the Catholic faith,” said Bishop Peter. “She looks on and is holding you steady this day. Your beloved children are here today – Rachel, Ruth, Naomi and Clare. They all rejoice in bearing witness to the integrity of your life as a husband, as a father, as a friend and to the integrity of your ministerial service as a deacon. We all delight to behold your future sacrificial ministry as a priest.

“As your Bishop I implore you to lead a life worthy of your vocation – continue to do all you can to preserve the unity of the spirit by the peace that binds us together. The voice of the Lord, as addressed to St Matthew, now addresses you: ‘follow me, follow me now and for ever, amen.’”

Addressing the congregation, after his ordination, Fr John said: “Most of my debt for being here today, apart from God Himself and the Holy Spirit, goes to the people of the church, and I should say the churches, because my ecumenical life is so rich and important to me. God is a God of surprises and the challenge of ordination was for too long only a matter of the head not the heart, until the last three years. God has sharp elbows and you can resist but you know that he is digging you in the ribs.

Speaking before the ordination, John said: “I was born into a deeply loving Anglican family.” He grew up in a parish in Hale, Cheshire, where he was confirmed and received his first communion at the age of 16. However, his faith journey was not always smooth. After starting at Oxford University in 1964, he admits, “my faith wavered”. By the time he married his late wife, Frances, in 1968, he was practising his faith, but soon after, he entered a period of “anguished agnosticism”, describing himself as “paradoxically being angry with God for not existing.”

Frances, his wife, remained a quietly faithful Catholic throughout this period. Dcn John often sought solace by speaking with Fr Geoffrey Preston, a Dominican priest who had officiated at their wedding. “I always felt better after our conversations, but I still could not experience the presence of God,” he reflects. In 1977, Fr Geoffrey died young, and Dcn John attended his Requiem Mass in Leicester during Holy Week. It was here that everything changed. “I found the whole church full of the peace I had experienced when I was with him, and in an instant, I realised that when I was with Fr Geoffrey, I was with God. I had been thinking too much and opening my heart too little.”

From that moment, Dcn John felt God enter his heart, and his faith was restored. Six months later, on December 8, 1977, he was received into full communion with the Catholic Church at St Edmund’s College, Cambridge. Over the next 15 years, Dcn John became more involved in parish life in Newmarket, while also working as a history lecturer and later as a professor at Cambridge University. His role as a pastoral guide to students, combined with his growing involvement in taking Holy Communion to the housebound, deepened his faith further. “Nothing did more to deepen my faith than this,” he says of his time visiting a care home for those with advanced dementia. It was during this time that he sensed a new calling. “In prayer, it became clear that God was calling me to link these two things – pastoral care of the young and the old.”

After three years of formation, Dcn John was ordained a deacon in 1996. Reflecting on his 28 years of service, he said: “I had no idea what being a deacon would entail, nor how I could find the time for that service as well as being a good husband, father to our four daughters, and a hands-on academic.” Yet, he humbly acknowledges, “It turns out God can do with time what he does with loaves and fishes!”

**Fr John Morrill with his four daughters and Bishop Peter at his ordination to the priesthood in Norwich in September.**

Over the years, Dcn John has been privileged to be part of significant moments in people's lives, from baptisms and funerals to marriages, and has provided pastoral care for the housebound, dying, and bereaved. His experience as a teacher also found a place within the Church, as he taught future deacons for 15 years at the seminary.

In 2007, Dcn John faced personal loss when his wife Frances died of cancer. On her gravestone, he placed the words his mother had chosen: "you have showed us the way." Reflecting on Frances' life and death, Dcn John said: "Her confidence in God's love and mercy was a new source of inspiration." While Bishop Michael Evans encouraged him to consider the priesthood after Frances' death, Dcn John felt no call at that time but remained deeply committed to his vocation as a deacon.

As he celebrated the silver jubilee of his ordination as a deacon, just after his 75th birthday, Dcn John began to reflect on retirement. "I was just beginning, for the first time, to feel a little stale," he admits. However, three significant pastoral events occurred in quick succession, all relating to sacraments he could not administer as a deacon. He describes these moments as "three mighty shoves in the ribs", recognising them as direct calls from God, just like those he had received in 1977 and 1991.

After much prayer, retreats, and study, and with the support of his spiritual director and Bishop Peter, Dcn John embraced this new call to priesthood. "Calling me after the mandatory retirement age of 75 (I am 78) suggests both that God has a sense of humour and that He thinks outside the box," he said.

Dcn John has held several senior positions in the Diocese of East Anglia, such as Lourdes Pilgrimage Diocesan Director, Chair of the Commission for Evangelisation and Assistant Director for Diaconal Formation, and he taught Church and pastoral history between 2005 and 2020 at St John's Seminary, Wonersh.

# Sister Rachel Gregory OCD

**Quidenham-based Carmelite nun and former Prioress, Sister Rachel Gregory OCD, renowned author of more than a dozen books on prayer and the spiritual life, died on November 10, aged 100. Sister Teresa Keswick ODC gives an appreciation.**

■ Sr Rachel (better known to her reading public by her pen name Ruth Burrows), entered the Carmelite Monastery at Mansfield in Derbyshire at the age of 18; for 82 years of her life she was an enclosed Carmelite contemplative nun. As a young prioress of 36, she realised that the small Carmel over which she presided had no realistic future, so she organized an amalgamation with the monastery at Quidenham in Norfolk: a much bigger community in a much bigger house in the countryside, full of potential for expansion. She arrived here in 1960 and stayed.

Rachel was my novice mistress and then my prioress, which means that this appreciation of her many qualities is personal. Her profound understanding of people, whether young or old, meant that she was an extraordinary listener, who combined sympathy with a highly practical way of thinking and also of expressing herself. She knew from within, and without ever dodging them in herself, the frailties of human nature.

Rachel was the author of more than a dozen books on prayer and the mystical life, under her pen name of Ruth Burrows. On the back cover of one of her later books, a blurb described her as “one of Britain’s greatest spiritual guides.”

Rachel was a scripture and theology scholar in her own right, entirely self-taught, and a born teacher. The conferences she gave to her novices were the basis of the books she was subsequently to write.

One felt that not only did she know the Gospels, but that she lived them. Following Jesus in her everyday and humdrum life was essential to her and encouraging others to do the same was the mainstay of her existence.

Once her first books were published, her scholarship and grasp of the human situation

began to attract people. One of her greatest fans was a young Passionist priest, who was later to become a bishop in both Sweden and Britain and who is the best preacher I have ever heard. He remained a close and faithful friend to Rachel until she died. Another young priest, a Jesuit from the United States, wrote a long thesis on one of Rachel's shorter books. He came to Quidenham to interview Rachel, somewhat alarmed by the very rural surroundings of the monastery and its general air of austerity. He was to become the president of a large and prestigious Roman Catholic university in America and he too remained a friend until Rachel died. These two, among many others, were a huge asset to the community: they would share their informed and intelligent knowledge with the sisters, to the advantage and pleasure of the latter.

One of Rachel's many skills – some would say her greatest – was in the area of reform. She revelled in the documents that came from the Second Vatican Council, and was conscious, from the outset, of the necessity of the conclusions that they were drawing. She particularly welcomed the insights regarding the reforms to the religious life. Thanks to her, many out-of-date and sometimes oppressive customs were swept away.

Rachel's books remain in print, thanks to her publisher who considers their importance to be of enduring value.

One of the strangest and most rewarding aspects of her life was her close friendship with Sister Wendy Beckett. They made an impressive team, and Wendy's constant encouragement and understanding gave Rachel the confidence to put her insights into practice. Sister Wendy became a household name thanks to her television programmes, where her extraordinary ability to convey to others her appreciation of art in all its forms and throughout the ages made her a huge success. Rachel was proud of this, but warned her of the dangers of becoming a celebrity.

Rachel herself never became a celebrity. There was a time when she was much in demand: to appear on television, talk on the radio, and give lectures as far away as America. To my knowledge, she turned them all down, on the basis of her valuing a perfectly ordinary Carmelite day above most things, and certain above fame and adulation. The only time she left the enclosure, in order to give a talk, was to help the women religious in East Anglia: they were local and she felt they deserved any support she could give them.

Rachel's last two years were particularly hard; it was with relief and a feeling of liberation that I heard of her death. Now those who knew and loved her are entrusted with carrying on the good work she achieved in us. Her path to God was one of no consolation. She once told me that this was a royal road.

# Fr Neville McClement

**The Bishop of Northampton has paid tribute to Fr Neville McClement, who retired to Beccles in Suffolk, and who died in February, aged 91, as a consequence of being involved in a road traffic collision.**

---

■ A Requiem Mass was held for Fr Neville at Our Lady Star of the Sea in Lowestoft back on March 19, following his death in February. Fr Neville was ordained in 1958 and he retired in 1997.

The Northampton Vicar General, Canon Michael Harrison, spoke at the funeral saying: "Half a coachload of parishioners have come from St Martin de Porres Parish in Luton the final active parish of Fr Neville, where he served for 17 years. He was very much appreciated by the people there and they still remember him. He used to come back to do supply and for funerals and Luton was very much in his heart."

Canon Michael also read a message from the Rt Rev Dr David Oakley, Bishop of Northampton, who wrote: "Unfortunately I never had the opportunity to meet Fr Neville but my heart has been touched by the many people who have spoken to me about him, since his death was announced.

"He is remembered with great affection by so many people. They speak of his pastoral solicitude and commitment to the people he was sent to serve. It is good to know that he was able to enjoy a long retirement in Beccles, and with a community he knew and loved."

Fr Neville was born in Wisbech where he grew up and later returned many years later to care for his 90-year-old mother until her death. He had an early vocation and entered Usher Seminary, aged 16, along with Frs Philip and Tony Shryane.

His first appointment was as a curate at Great Yarmouth and later Lowestoft where his gentle but robust ministry especially to the youth won him many friends. He returned to Our Lady Star of the Sea in his retirement where, with his older brother Eric, he enjoyed many Sunday roasts with parishioner Jenny Dowson and daughter Catherine, who kept a caring eye on them, along with other parishioners

The Diocese of Northampton was the one he chose to remain in when the Diocese of East Anglia was formed from the eastern counties .

Dcn Stephen Pomeroy said: "My personal memory of him in his retirement in Lowestoft is of a wise and experienced priest but one with firm action should the situation demand it. Beloved by so many, including children to whom he had a special gift in the sacrament of reconciliation. When attending Mass he always wore the most elegant and highly polished black shoes."

The Suffolk Coroner's Court inquest heard on September 9 that Fr Neville had spent his final months taking care of his older brother Eric, who had been diagnosed with bladder cancer. They were involved in a head-on car crash days after Christmas. The court heard that Fr Neville, of North Cove, had retired to Suffolk where he lived with Eric.

Fr Neville was taken to the Norfolk and Norwich University Hospital with fractures to his ribs and sternum. He was transferred to the James Paget University Hospital in Gorleston where he died on February 6.

Assistant coroner for Suffolk, Dr Daniel Sharpstone, concluded that he had died as a consequence of being involved in a road traffic collision.

## Fr Stephen Ortiger

**Former Abbot of Worth Abbey and Titular Abbot of St Edmund's Abbey, Bury St Edmunds, the Rt Rev Stephen Ortiger, died on January 27, after a period of ill health.**

■ Fr Stephen, aged 83 years, former Abbot of Worth, Sussex, was widely known in Catholic circles and renowned for his wisdom and knowledge. Educated at Downside, he went on to study history at Emmanuel College, Cambridge.

He was active in the Cambridge University chaplaincy at Fisher House and became president of the university's student-run Catholic society.

From university he entered Worth as a novice, taking his religious name of Stephen. He was ordained a Benedictine priest in 1967 and taught in the Abbey's secondary school, eventually becoming headmaster.

His links to East Anglia were rekindled when he became titular Abbot of St Edmund's Abbey, Bury St Edmunds.

Local historian John Saunders explained, "A titular abbot is one who holds the title of abbot derived from a destroyed or suppressed abbey. In this instance Abbot Stephen was offered the title of an ancient abbey and happily chose Bury St Edmunds. A man of humour, Abbot Stephen defined the difference between a ruling abbot and a titular abbot as the latter having no trouble with his monks! In this case the monks departed the town in 1539."

Retiring as Abbot in 2002, he returned to Fisher House in Cambridge before resuming his monastic life at Worth and becoming Episcopal Vicar for Religious Life in the Arundel & Brighton Diocese. In 2020 he became priest in charge of Our Lady Star of the Sea in East Preston, West Sussex. His funeral took place on February 17 at Worth Abbey.

# FINANCIAL REPORT

## The Roman Catholic Diocese of East Anglia – Summarised Accounts for 2023

### Statement of Financial Activities

Total expenditure	£ 7,793,187	+ 4%
o/w parishes	£ 4,832,468	+13%
diocese	£ 2,960,719	- 9%
<b>Total revenue</b>	<b>£6,758,812</b>	<b>+ 8%</b>
<b>Operating deficit</b>	<b>£ 1,034,375</b>	<b>-18%</b>
Investment gains (“paper gains”)	£ 609,936	
<b>Total deficit</b>	<b>£ 424,439</b>	

## Notes to the accounts

The Diocesan charity is principally funded by the freewill offerings of the faithful to the Church, about half of which comes through the offertory at Mass. Increasingly cash donations are giving way to standing orders and electronic payments.

Over the financial year 2023, the charity’s total income rose 8 per cent to £6.8 million. This means that cash income has now recovered to its level of 2017, but remains lower than the pre-pandemic peak and is some £2.5 million lower than in 2017 in inflation-adjusted terms (see chart below).

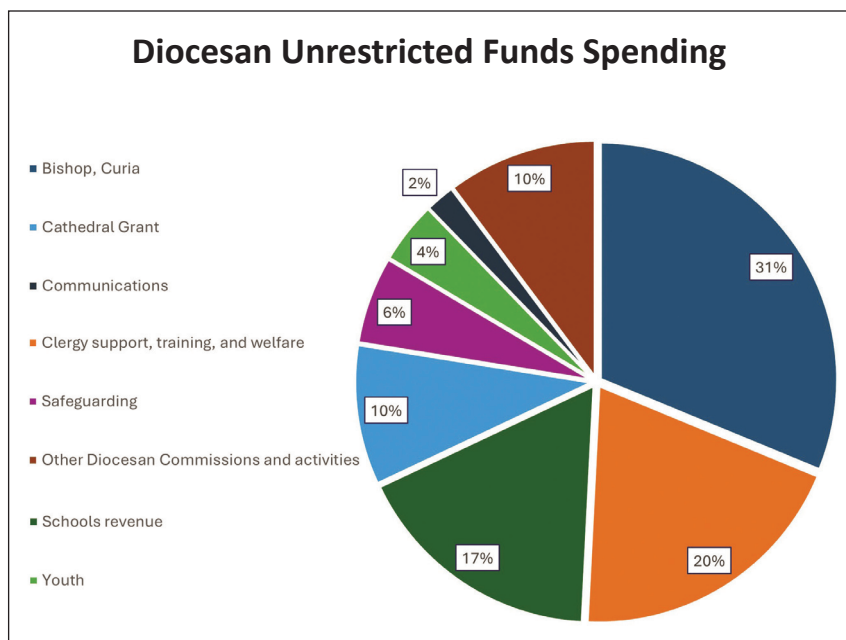

Parish income accounted for 82 per cent of the total; the parishes' offertory income rose 12 per cent over the year.

While this outperformed inflation significantly, the number of Mass attendances is also rising as the Church grows. Per-head donations fell in real terms, likely reflecting the increasing preponderance among Church members of families with children, and the less well-off.

Expenditure rose by 4 per cent, with parishes accounting for 62 per cent of the total. In inflation-adjusted terms, this means spending has been cut by £1 million compared to 2017. Staff costs rose 3.6 per cent, within which wages and salaries rose 1 per cent.

Central Diocesan (Curia) spending is financed principally by a levy on parishes. The Curia supports the Bishop in his governance role and provides collective shared services to parishes and schools.

**The chart below shows the proportion of Curia spending on each function budgeted for 2024.**

Before investment gains, the charity continued to run at a deficit, although the shortfall reduced by 18 per cent during the year. After taking account of investment gains, the overall deficit was £0.4 million; this compares to a 2022 surplus that resulted from one-off gains from revaluing property assets. Total funds at the year-end fell by 1.1 per cent to £35.1 million.

Diocesan unrestricted funds fell by £1.5 million to £1.1 million. Parish unrestricted funds rose by £0.1 million to £27.2 million.

The Trustees' investment policy has historically been that the charity's investment portfolio should perform in line with the relevant market indices. During 2023, the value of quoted investments rose 6 per cent, which represented an outperformance of the FTSE-100 index over the same period. The Trustees at the end of 2023 decided to move their quoted investments to an ethical portfolio consistent with Catholic Social Teaching, while also meeting demanding targets for capital growth and income. This transfer of the investments to a provider and a portfolio which meet Catholic ethical standards is being put into effect during 2024.

The charity employed 51 staff on average during the year, a reduction of 2, of whom 32 were employed by parishes.

The charity's cash consumption was £1.4 million, an increase from the previous year of £0.6 million. The rate of cash consumption attributable to operating activities doubled. £0.6 million of cash was used to purchase fixed assets, in particular accommodation for retired clergy. Cash and cash equivalents at the end of the reporting period stood at £4.8 million. This is compliant with the Trustees' policy to maintain liquid reserves at least equal to 24 months' budgeted expenditure.

Overall, the charity met the Trustees' objective of keeping the rate of growth of expenditure below the rate of increase of income, and so maintaining a path of reducing the operating deficit. Further action will be necessary, however, to accelerate progress in deficit reduction and stem the drain on the charity's cash reserves. As they set future budgets, the Trustees maintain and review a deficit reduction plan.

## Plans for the Future

The Diocesan charity will have four key areas of focus in the near future:

- The Bishop has begun a process of consultation about the pastoral provision which the Diocese will be able to offer, given the known demographic constraint on the number of priests available to provide the sacraments; the challenge of providing enough priests is likely to increase over the next ten years; the process of consultation will continue during 2024 and into 2025;
- The Diocese will continue to work with schools and Multi-Academy Trusts, in line with the Trustees' settled policy, to rapidly complete the academisation of all state-funded Catholic schools;
- The day to day operations of the Cathedral of St John the Baptist Trust will transfer to the Diocese and parish;
- The Diocese will continue to take the steps necessary to implement the Trustees' deficit reduction path and put the charity's finances on a long-term sustainable footing.

Full details of the Diocesan accounts for 2023 and the Trustees' Annual Report are available on the Diocese's website at: [www.rcdea.org.uk/annual-report-and-accounts](http://www.rcdea.org.uk/annual-report-and-accounts)

#### **HOSPITAL CHAPLAINCY CO-ORDINATOR**

**Co-ordinator:** TBA

If you have a relative or a friend or are being admitted to hospital, please ensure that you indicate that you or they are a Catholic, and would like the Catholic Chaplain to be informed of your presence in hospital. Otherwise, the Catholic Chaplain will not know that a Catholic patient is in the hospital. The secular authorities are not permitted to tell the Church if a patient is Catholic, and, according to secular rules and regulations, chaplains and parish priests are not permitted to communicate with one another regarding your presence in hospital without your permission. It is also good practice to inform hospital staff that you would like to receive visitors, as some hospitals will not permit visitors who are not close family without prior permission from the patient.

Stella Maris (Apostleship of the Sea) is the official maritime agency of the Catholic Church in Great Britain. Stella Maris is a registered charity (No 1069833) reliant on the annual Sea Sunday appeal and donations to sustain its ministry. Ninety percent of world trade is carried by ship; however, seafarers and fishers often work in dangerous conditions suffering loneliness, deprivation and even exploitation. Stella Maris deploys chaplains and ship visitors who welcome merchant seafarers and fishers to our shores and provide for their pastoral and practical needs – regardless of creed or nationality.

Catholic seafarers and fishers are also given the opportunity to receive the sacraments. In addition, Stella Maris provides chaplains on board cruise ships, works to maintain seafarers' centres inside ports, and collaborates with industry bodies to speak up for seafarers' and fishers' rights. Stella Maris relies on a network of valued contacts and volunteers to sustain its development.

# DIOCESAN CALENDAR FOR EAST ANGLIA 2025

**“Christ’s saving work is celebrated in sacred memory by the Church on fixed days throughout the course of the year. Each week on the day called the Lord’s Day the Church commemorates the Lord’s resurrection. Once a year at Easter the Church honours the resurrection of the Lord and his blessed passion with the utmost solemnity. In fact, through the yearly cycle the Church unfolds the entire mystery of Christ and keeps the anniversaries of the saints.”**

**(GNLY 1)**

## **Preliminary Notes**

- This Calendar is based on the GENERAL ROMAN CALENDAR, the NATIONAL CALENDAR as contained in the Roman Missal (2010) and the revised DIOCESAN CALENDAR.
- The titular and anniversary of dedication of each church are kept as Solemnities. Lest they be overlooked, it is advisable to mark them in this Calendar.
- Local observances are permitted of Saints or Beati connected in some way with the locality, as through birth, ministry, death, or custody of major relics. The Bishop should be consulted in each instance.
- On the ‘green’ ferias per annum (of the year) a wide choice of Mass formula is available: EITHER of any of the 34 Sundays per annum (with the prayers of the Sunday selected, or of another Sunday, or those provided ad diversa), OR of any Saint mentioned on that day in the Martyrology, OR of any votive Mass or Mass ad diversa, OR of any Mass for the dead (provided that the daily Mass formula is only used when the Mass is, in fact, applied for the dead).  
The Requiem Mass which forms part of the funeral rite is allowed on any day except the Paschal Triduum, the Sundays of Advent, Lent and Easter, and the Holydays of Obligation.
- The Gloria is said on all Sundays (apart from Advent and Lent), Solemnities, Feasts, and other solemn celebrations, but not on Memorials. The Credo is said on Sundays and Solemnities, and is also allowed at other solemn celebrations.
- THE LECTINARY: On Sundays, Cycle C (Year 3) is to be used until the First Sunday of Advent, when Cycle A (Year 1) begins. The weekday readings are of Year 1. Attention is drawn to the section headed ‘Principles of Choice’ in the introduction. A decided preference is expressed for continuous readings, as provided for the weekdays throughout the year, even though a Memorial occurs (apart from the few instances noted in the Calendar of a strictly proper reading). The Lectionary provides readings for the Feasts observed in this country. For other Solemnities and Feasts lacking proper readings, the appropriate Common should be used, while suitable readings may be chosen for special celebrations.
- As Eucharistic Prayer IV must always be used with its own preface, the days on which it may not be used have been indicated by the note ‘Not EP IV’.  
The Eucharistic Prayer for Masses for Various Needs and Eucharistic Prayers for Reconciliation also have integral prefaces, and may not be used on Sundays or days when EP IV is not permitted.
- Parish priests are bound to offer Mass for their people on all Sundays and Holydays of Obligation.

■ The necrology includes all clergy of the former Northampton Diocese from the year 1850. Places in parenthesis are where priests died or retired from. Any errors or omissions in the necrology of diocesan clergy should be notified to the Bishop's Personal Assistant.

## NATIONAL CYCLE OF PRAYER

### Introduction

In the Catholic tradition the human experience of time is used as a way of engaging us with the saving mystery of Christ's passion, death and resurrection. The cycle of days, weeks and the whole year is, for this reason, of supreme importance in Christian worship.

Each week, on the day called the Lord's Day, the Church commemorates the Lord's resurrection. Once a year, at Easter, the Church honours this resurrection and passion with the utmost solemnity. Through the yearly cycle the Church unfolds the entire mystery of Christ and keeps the anniversary of the saints.

All other celebrations need to find their proper place in the Calendar so that the principal mysteries of the redemption do not lose their appropriate prominence.

Amongst these other celebrations, from the earliest times have been the rogation and ember days, days of prayer for particular need or in thanksgiving for particular blessings of the Lord. Since 1972, the Bishops' Conference of England and Wales has preferred to drop all distinction between ember and rogation days, and to speak simply of Days of special prayer.

In 1972, six such days were introduced, but in the years which followed the number of such days increased to such an extent that they risked intruding on the celebration of the liturgical year, and especially on the celebration of the Lord's Day on Sundays. Subsequently the Bishops' Conference concluded that from Advent 1996 these Days of special prayer be subsumed into and replaced by a Cycle of Prayer.

The Cycle of Prayer seeks to preserve the integrity of the Sunday liturgy, without losing sight of the importance of being united with the universal or local Church in praying and working for important intentions. It seeks to do this by encouraging the faithful to pray for the intentions set out in the Cycle in their personal prayers throughout the period specified, and not only at Mass on a particular day.

The Cycle of Prayer is based on a division of the year into six periods, three of these being the principal liturgical seasons of Advent/Christmas; Lent and Easter and the other three being divisions of Ordinary Time, namely Winter, Summer and Autumn.

Each of these six periods is allocated its proper series of intentions for prayer, which may be taken up by both individuals and parishes and other groups throughout the season. Each individual intention also has its particular focal point, ie a particular celebration or Day of Prayer ordered by the Holy See.

### How might a parish keep the Cycle of Prayer?

#### Outside of the Liturgy

■ Intentions for the whole period might be listed in the parish newsletter or printed on a prayer card so as to help individual parishioners keep in mind and pray for the

intentions for that period.

- Publicity and informational material might be displayed on parish noticeboards.
- Prayer-focuses may be placed in an appropriate place in the Church – following the example of the candle symbol popularised by Amnesty International.
- Parish meetings might be arranged so as to better inform parishioners about the particular objects of the intention (eg peace, Christian unity, the place and role of women in the Church and the world, the sick, sea-farers, racial justice, prisoners and their families). This will also give the opportunity for parishioners to learn how they might become actively involved in working for the fulfilling of the intentions for which they pray.
- Retiring collections might be taken to support particular forms of pastoral activity.

### **Within the Liturgy - Mass**

- On the Day of Special Prayer itself, and especially on Sundays, it is appropriate to announce the Day of Special Prayer in the opening remarks at the beginning of Mass, and for the special intention to be included in the Prayer of the Faithful (Bidding Prayers). Care should be taken that the remaining petitions of the Prayer of the Faithful should be formulated in accordance with the norms given in the General Instruction of the Roman Missal.
- When a Day of Prayer or other observance falls on a Sunday, the Mass and Lectionary texts of the Sunday are normally to be used.
- On weekdays the use of suitable ‘Masses for Various Needs and Occasions’ or ‘Votive Masses’ should be considered to support the marking of the Day of Prayer. The readings assigned for each day in the Lectionary for weekdays should not be omitted too frequently and without sufficient reason. It is often more fruitful to explore any special intentions through the readings assigned to the day, than to choose from the Common those which may appear at first sight more appropriate to the intention.
- The homily at Mass is necessary for the nurturing of the Christian life. It should develop some aspect of the readings from the scriptural readings or liturgical texts of the Mass, while taking into account the mystery being celebrated or the needs proper to the listeners. The homily should not be narrowly confined to the intention of the Cycle of Prayer alone, nor be replaced by a non-homiletic talk or an appeal for money.

### **Other Liturgies and Celebrations**

- When it is desired to have a form of extended prayer for one of the intentions in the Cycle of Prayer, serious consideration should be given to holding a special non-eucharistic service for that purpose, such as a Vigil, the Evening Prayer of the Church, a Liturgy of the Word, or a procession with litanies.
- Exposition of the Blessed Sacrament, ‘which must clearly express the cult of the Blessed Sacrament in its relationship to the Mass’, should also be considered. It should be noted that there is specific provision within this rite for special prayers.
- When considering how particular intentions are to be presented and marked within a parish, every effort should be made to extend the invitation to participate in this to all members of the parish, including the younger members of the parish, and the housebound.

Each of the 52 parishes within the Diocese of East Anglia will be allocated one week during the year during which to pray, not only for the Intentions of the National Cycle of Prayer, but also for Vocations to the Priesthood and to the Religious Life, and the Needs and Intentions of the Diocese. During this week, each Parish shall also have the opportunity to celebrate 40 Hours of Eucharistic Adoration, including as they do so, the specific prayers and initiatives of the New Evangelisation.

## 1st WEEK OF THE YEAR

Psalter Week 1

CYCLE OF PRAYER/40HRS/PRAYERS FOR VOCATIONS:

Parish 36 – St Luke, Peterborough

**This Weekend:** Announce: Next Sunday is Peace Day.  
The Week of Prayer for Christian Unity starts this Saturday 18 January.

*Gl. Pf pr. Not EP IV.*  
*Fr Charles Flynn +1943 (rtd fr. Sudbury 1930)*

### NATIONAL CYCLE OF PRAYER

During Ordinary Time – (Winter) i.e. up to Lent, we are asked to pray for these intentions:

**Peace on Earth:** especially on 2nd Sunday in Ordinary Time and on Racial Justice Day which occurs three Sundays before the 1st Sunday of Lent. The World Day of Prayer for Peace is marked on 1 January. As this day is when the Church celebrates the Solemnity of Mary Mother of God and it is the beginning of the new year in England, the day is transferred to 2nd Sunday in Ordinary Time. There may be a collection on this day for the work of Pax Christi. The day of prayer for Racial Justice is organised by the ecumenical Churches' Commission for Racial Justice. Within the Catholic Church material is distributed by Catholic Association for Racial Justice (CARJ) for whom a collection may be taken on this day.

**Prayer:** *O God of peace, who are peace itself and whom a spirit of discord cannot grasp, nor a violent mind receive, grant that those who are one in heart may persevere in what is good and that those in conflict may forget evil and so be healed.*  
**Roman Missal**

**Christian Unity:** especially during the Week of Prayer for Christian Unity: 18–25 January. The Week was originally begun in 1908 by the American Episcopalian clergyman Paul Wattson who later became a Catholic. The Week begins on 18 January and ends on 25 January—the Feast of the Conversion of St Paul. Material for the Week of Prayer is prepared in collaboration by Pontifical Council for Promoting Christian Unity and The Commission on Faith and Order of the World Council of Churches. Each year this material is produced by Christians in a different country.

**Prayer:** *May the divisions among Christians be overcome so that we may hasten to your eternal Kingdom in the perfect communion of the Church*  
**cf. Roman Missal**

**Openness to the Word of God:** especially on 3<sup>rd</sup> Sunday in Ordinary Time The Sunday of the Word of God takes place on the third Sunday in Ordinary Time. Pope Francis' Apostolic Letter, issued *motu proprio*, 'Aperuit illis', published on 30 September 2019, establishes that 'the Third Sunday in Ordinary Time is to be devoted to the celebration, study and dissemination of the Word of God'

**Prayer:** *All-wise God, as you have granted us to drink with delight from the Word that leads us to know you, in your goodness grant us also to come at length to you, source of all wisdom and stand for ever before your face.*

**Based on a prayer of St Bede the Venerable**

**Victims of Trafficking:** especially on feast of St Josephine Bakhita — 8 February. St Josephine Bakhita is the Sudanese saint who at the age of nine was kidnapped and sold into slavery. She suffered terribly at the hands of her kidnappers so much so that she forgot her birth name. Her kidnappers gave her the name 'Bakhita' which means 'Fortunate'.

**Prayer:** *O God, who led Saint Josephine Bakhita from abject slavery to the dignity of being your daughter and a bride of Christ, grant, we pray, that by her example we may show constant love for the Lord Jesus crucified, remaining steadfast in charity and prompt to show compassion.*

**Roman Missal**

**The Sick and Those Who Care for Them:** especially on World Day of Prayer for the Sick — 11 February. 11 February is the feast of Our Lady of Lourdes. On this day the Church is asked to pray and give attention to the sick and those who care for them. Each year the Holy Father writes a message.

**Prayer:** *Accept the prayers we offer for our brothers and sisters who are ill, that, having been anxious for them in their danger, we may rejoice at their recovery of health.*

**cf. Roman Missal**

**The Unemployed:** especially on the Sunday before Ash Wednesday. The Day of Prayer for the Unemployed was organised by Church Action on Poverty. They have renamed their day as Poverty Action Sunday. Caritas-Social Action is the agency in the Catholic Church which acts an umbrella for many diocesan and local organisations concerned with poverty and other social issues.

**Prayer:** *O God, the source of human dignity, in your image every person is fashioned and by your Son all people are redeemed. Make us honour the work of your hands, that we may reverence you in those whom the world considers least and serve you in all whom society neglects.*

**Summary:**

**Peace Day**

**Sunday 19 January.**

**Octave of Prayer for Christian Unity**

**18 – 25 January.**

**Sunday of the Word of God**

**Sunday 26 January**

**Racial Justice Day**

**NATIONAL CYCLE OF PRAYER**

During Lent we are asked to pray for these intentions:

**Candidates for the Sacraments:** especially on the Sundays of Lent

For those preparing to be initiated into the Church at Easter, Lent marks the final stage of preparation, the period of Purification and Enlightenment. It begins with the Rite of Election on the First Sunday of Lent. During the season of Lent the Scrutinies are celebrated on the 3rd, 4th and 5th Sundays in preparation for Baptism, Confirmation and Eucharist at the Easter Vigil. Many parishes will also receive candidates for Reception into the Church.

‘The people of God, as represented by the local Church, should understand and show by their concern that the initiation of adults is the responsibility of all the baptised.’

‘During Lent, the period of purification and enlightenment, the faithful should take care to participate in the rites of the scrutinies and presentations and give the elect the example of their own renewal in the spirit of penance, faith, and charity. At the Easter Vigil, they should attach great importance to renewing their own baptismal promises.’ RCIA 9

The celebration of other Sacraments, such as Confirmation and First Holy Communion, will often take place within the Easter season so that candidates for these Sacraments will also be preparing in Lent. These candidates should also be remembered in the prayers of the community.

**Prayer:** *Father of love and power, it is your will to establish everything in Christ and to draw us into his all-embracing love. Guide the elect of your Church, strengthen*

*them in their vocation, build them into the kingdom of your Son, and seal them with the Spirit of your promise.*

**Rite of Christian Initiation of Adults**

**The Needy and Hungry of the World;** especially on Lenten Fast Day —Friday of the first week in Lent.

The agency for overseas development, CAFOD, encourages the Church in England and Wales to use the Friday of the first week in Lent as an opportunity to remember the needy and hungry of the world. The day is an opportunity for the three Lenten disciplines of Prayer, Fasting and Almsgiving which derive from the proclamation of the Word on Ash Wednesday.

The proceeds from the practice of fasting on the Friday are usually collected at Mass on the 2nd Sunday of Lent.

**Prayer:** *All powerful Father, God of goodness, you provide for all your creation. Give us an effective love for our brothers and sisters who suffer from lack of food. Help us do all we can to relieve their hunger, that they may serve you with carefree hearts.*

**Roman Missal**

**World Day of Prayer;** especially on 1st Friday in March

The World Day of Prayer is a worldwide movement of Christian women who come together to observe a common day of prayer held on the first Friday in March each year, and who, in many countries, have a continuing relationship in prayer and service. Through the World Day of Prayer women are encouraged to become aware of their talents and use them in the service of the wider community.

**Prayer:** *Father, you have given all peoples one common origin, and your will is to gather them as one family in yourself. Fill the hearts of all women with the fire of your love and the desire to ensure justice for all. Hear the prayers offered you by women throughout the world for an end to all division, and a human society built on love and peace.*

**Roman Missal (adapted)**

**Penitents and Wanderers:** The twin themes of Lent are baptism and penance. Lent is a time of reflection and preparation for Easter. Many parishes offer opportunities for the celebration of the Sacrament of Penance in the Lenten season. In recent years some parishes have explored using the Lenten period as a time to assist those returning to the Church after a period of not being active in the life of the Church. This reflects the ancient practice of the Order of Penitents which reached its end on the morning of Holy Thursday.

**Prayer:** *God of power and might, we praise you through your Son, Jesus Christ, who comes in your name. He is the Word that brings salvation. He is the hand you stretch out to sinners. He is the way that leads to your peace. God our Father, we had wandered far from you, but through your Son you have brought us back. You gave him*

*up to death so that we might turn again to you and find our way to one another.*

### NATIONAL CYCLE OF PRAYER

During Easter we are asked to pray for these intentions:

**New Members of the Church:** The Easter Vigil is the usual time to celebrate the Sacraments of Initiation (Baptism, Confirmation and Eucharist) with Adults. The Easter Season is therefore the time for post-baptismal catechesis or 'mystagogy' with the newly baptised or 'neophytes'.

'This is a time for the community and the neophytes together to grow in deepening their grasp of the paschal mystery and in making it part of their lives through meditation on the Gospel, sharing in the Eucharist, and in doing works of charity.' RCIA 234

In many communities and dioceses, the Easter Season is a privileged time to cele-

brate the Sacraments of First Communion and Baptism.

**Prayer:** *Father, you give your Church constant growth by adding new members to your family. Help us put into action in our lives the baptism we have received in faith*  
**Roman Missal**

**Vocations:** Especially on World Day of Prayer for Vocations — 4th Sunday of Easter

The World Day of Prayer for Vocations is held each year on the Fourth Sunday of Easter. In the Gospel of John read on this Sunday, in each of the three years, Jesus speaks of himself as the Good Shepherd. The Good Shepherd who has come so that people may have life to the full, the one who lays down his life for his sheep, the one who knows his sheep — they recognise his voice.

**Prayer:** *Father, in your plan for our salvation you provide shepherds for your people. Fill your Church with the spirit of courage and love. Raise up worthy ministers of your altars and ardent but gentle servants of the gospel.*

**Roman Missal**

**Human Work:** Especially on St Joseph the Worker — 1 May

The commemoration of St Joseph the Worker on 1 May was instituted by Pius XII in 1955. It proposes the example and intercession of Joseph as worker and provider.

**Prayer:** *God our Father, creator and ruler of the universe, in every age you call men and women to develop and use their gifts for the good of others. With St Joseph as our example and guide, help us to do the work you have asked and come to the rewards you have promised.*

**Roman Missal (adapted)**

**The Right Use of the Media:** Especially on World Communications day — the seventh Sunday of Easter

‘Go out to the whole world; proclaim the Good News to all creation’ is the message of the Gospel on the Solemnity of the Ascension of the Lord. The Solemnity offers the starting point for understanding the right use of the media. The day is established by the Pontifical Council for Social Communications and each year there is message from the Holy Father

**Prayer:** *Father of light, from whom every good gift comes, send your Spirit into our lives with the power of a mighty wind, and by the flame of your wisdom open the horizons of our minds. Loosen our tongues to sing your praise in words beyond the power of speech, for without your Spirit men and women could never raise their voice in words of peace or announce the truth that is Jesus the Lord*

**Roman Missal**

**The Church:** Especially at Pentecost

Throughout the Season of Easter the first reading at Mass is taken from the Acts of the Apostles. Luke tells the story of the early Church from the Ascension and Pentecost to the early missions of the apostles.

'When the work which the Father gave the Son to do on earth was accomplished, the Holy Spirit was sent on the day of Pentecost in order that he might continually sanctify the Church. Then "the Church was openly displayed to the crowds and the spread of the Gospel among the nations, through preaching, was begun." As the "convocation" of all men for salvation, the Church in her very nature is missionary, sent by Christ to all the nations to make disciples of them.' Catechism 767

'Those who with God's help have welcomed Christ's call and freely responded to it are urged on by love of Christ to proclaim the Good News everywhere in the world. This treasure, received from the apostles, has been faithfully guarded by their successors. All Christ's faithful are called to hand it on from generation to generation, by professing the faith, by living it in fraternal sharing, and by celebrating it in liturgy and prayer.' Catechism 3

**Prayer:** *God our Father, in all the churches scattered throughout the world you show forth the one, holy, catholic and apostolic Church. Through the gospel and the Eucharist bring your people together in the Holy Spirit and guide us in love. Make us a sign of your love for all people, and help us show forth the living presence of Christ in the world.*

**22nd WEEK OF THE YEAR**

Psalter Week 2

**CYCLE OF PRAYER/40HRS/PRAYERS FOR VOCATIONS:****Parish 17 – St Anthony of Padua, Fakenham****Parish 18 – St Felix, Felixstowe****This Weekend:** Announce: Monday is the World Day of Prayer for the Care of Creation**NATIONAL CYCLE OF PRAYER**

During Ordinary Time (Autumn), i.e. from September to Christ the King, we are asked to pray for these intentions:

**The Harvest:** the Fruits of Human Work and the Reverent Use of Creation; especially on World Day of prayer for the Care of Creation (1 September) and on last Sunday in September or whenever Harvest Festivals are held.

“The annual World Day of Prayer for the Care of Creation will offer individual believers and communities a fitting opportunity to reaffirm their personal vocation to be stewards of creation, to thank God for the wonderful handiwork which he has entrusted to our care, and to implore his help for the protection of creation as well as his pardon for the sins committed against the world in which we live.” (Pope Francis, Letter inaugurating World Prayer of Care for Creation)

The Church has long celebrated the agricultural harvest. This intention also includes all human work. In all circumstances of human life there are choices to be made regarding the environment and our reverent stewardship of the God's gift of creation. “The external deserts in the world are growing, because the internal deserts have become so vast. Therefore the earth's treasures no longer serve to build God's garden for all to live in, but they have been made to serve the powers of exploitation and destruction” (Benedict XVI, homily at Inaugural Mass, 2005). ’

**Prayer:** *O Lord, good Father, who in your providence have entrusted the earth to the human race, grant, we pray, that with the fruits harvested from it we may be able to sustain life and, with your help, always use them to promote your praise and the well-being of all.*

**Roman Missal**

**Students and Teachers:** especially on Education Day — 2nd Sunday of September The day of prayer for Education is organised ecumenically by the Education

agencies of the various denominations. In the Catholic Church material is distributed by the Catholic Education Service. There may be a collection for the Agency on this Sunday.

**Prayer:** *God is the source of all wisdom and knowledge. Let us ask him to bless those who seek to learn and their teachers. For students, that the Spirit of God may grant them the gifts of wisdom of understanding. For teachers, that they may share their knowledge with gentleness, patience, and concern for their students.*

**Book of Blessings**

**The Spread of the Gospel:** especially on Evangelii Gaudium Day: 3rd Sunday in September and World Mission Day: the penultimate Sunday in October

Evangelii Gaudium Day is on the 3rd Sunday in September. Material for the day is prepared by the Home Mission Desk. There may be a collection to support the work of the agency.

World Mission Day is on the penultimate Sunday in October. A Mass 'for the Spread of the Gospel' may be celebrated on this Sunday. Each year the Holy Father writes a message for World Mission day. In England and Wales material is produced for parishes by the Pontifical Mission Societies. There may be a collection for their work on this day.

**Prayer:** *O God, whose will it is that all should be saved and come to the knowledge of the truth, look upon your abundant harvest and be pleased to send workers to gather it, that the Gospel may be preached to all creation and that your people, gathered by the word of life and sustained by the power of the Sacraments, may advance in the path of salvation and love.*

**Roman Missal**

**Justice and Peace in the World:** especially on Harvest Fast Day: 1st Friday in October. The Harvest Fast Day is one of two such days organised by CAFOD. The money offered from the fasting is usually collected at Mass on the following Sunday.

**Prayer:** *O God, who show a father's care for all, grant, in your mercy, that the members of the human race, to whom you have given a single origin, may form in peace a single family and always be united by a fraternal spirit.*

**Roman Missal**

**Prisoners and their Families:** especially on Prisoners Sunday (2nd Sunday in October) and in Prisons Week: 2nd Week in October

Prisoners Week was a Catholic initiative begun in 1975 by Bishop Victor Guazelli which has since gained ecumenical support and observance. It reflects the work of the Prison Advice and Care Trust which builds on its origins as the Bourne Trust — the Catholic Prisoner's Aid Society. The Sunday and the following week seek to

focus attention not only on the needs of prisoners but on all those involved the field of prison care, prisoners families, victims of crime, prison staff and many volunteers.

**Prayer:** *Almighty and merciful God, to whom alone the secrets of the heart lie open, who recognize the just and make righteous the guilty, hear our prayers for your servants held in prison, and grant that through patience and hope they may find relief in their affliction and soon return unhindered to their own*

**Roman Missal**

**All Victims of War:** especially on Remembrance Sunday: 2nd Sunday in November

Remembrance Sunday falls on the Sunday nearest Armistice Day, 11 November, which marks the end of the First World War. On this day are remembered all those who gave their lives for their country, all who suffered and died through acts of war and those who were left behind to grieve and mourn. In England and Wales one Mass for the Dead may celebrated on this Sunday.

**Prayer:** *O God, merciful and strong, who crushes wars and casts down the proud, be pleased to banish violence swiftly from our midst and to wipe away all tears, so that we may all truly deserve to be called your children.*

**Roman Missal**

**Young People:** especially on Christ the King: 34th Sunday in Ordinary Time.

The Church in England and Wales has marked the contribution of young people on Christ the King for many years. Universally it is marked on Palm Sunday. In many parishes it is an opportunity to focus on the role of young people in the Sunday liturgy and in the life of the parish. Over the last few years material prepared to assist the day has used the live simply campaign. There may be a collection for diocesan and national youth services on this day.

**Prayer:** *O God, who gave one origin to all peoples and willed to gather from them one family for yourself, fill all hearts of all young people, we pray, with the fire of your love and kindle in them a desire for the just advancement of their neighbour, that, through the good things which you richly bestow upon all, each human person may be brought to perfection, every division may be removed, and equity and justice may be established in human society.*

## NATIONAL CYCLE OF PRAYER

During Advent and Christmastide, we are asked to pray for these intentions:

**Migrants and Refugees:** especially on December 3.

On December 3 the Church commemorates St Francis Xavier. This is the day chosen by the Pontifical Council for the Pastoral Care of Migrants and Itinerant People to mark World Migration Day. Each year there is a message from the Holy Father reflecting on the 'signs of the times'.

"Asylum seekers and refugees - I wish to underline how the tendency is to stop at the question of their arrival while disregarding the reasons for which they left their native land." [Benedict XVI - Message for World Migration day 2005]

**Prayer:** *Lord, no one is a stranger to you and no one is ever far from your loving care. In your kindness watch over refugees and exiles, those separated from their loved ones, young people who are lost, and those who have left or run away from home. Bring them back safely to the place where they long to be and help us always to show your kindness to strangers and those in need.*

**Roman Missal: For Refugees and Exiles**

**Expectant Mothers:** especially on 4th Sunday of Advent

The Gospel on the 4th Sunday of Advent focusses on the role of Mary in our salvation. Over the three year cycle the gospel tells of the betrothal of Mary to Joseph, the Annunciation and the Visitation. The stories prepare us for the Birth of our Lord at Christmas.

**Prayer:** *God has brought gladness and light to the world through the Virgin Mary's delivery of her son. Grant the prayer of all mothers to be as they ask for the birth of a healthy child. May they safely deliver a son or daughter to be numbered among your family, to serve you in all things, and to gain eternal life.*

Supporting survivors of church-related abuse

email: safespaces@victimsupport.org.uk

**Safe Spaces** is a free, independent support service, providing a confidential, personal and safe space for anyone who has been abused by someone in the Church or as a result of their relationship with the Catholic Church of England and Wales, the Church of England, or the Church in Wales.

## Who can we help?

**Safe Spaces** is open to people aged 18 or over, regardless of whether the abuse occurred recently or in the past, or whether the perpetrator is living or deceased. You do not have to have reported the incident to the Church authorities or the Police in order to access support.

You do not need to be a current active member of the Church to access support.

Our service is for people who have experienced any kind of abuse – this includes (but is not limited to) sexual violence, inappropriate sexual behaviour, physical abuse, financial abuse or exploitation, psychological abuse (including spiritual abuse), domestic abuse, coercive and controlling behaviour.

## How we can help

Remote support is provided nationally through our **FREE Helpline** and **Live Chat** for as long as our clients feel they need it and it is deemed to be helpful.

We can help with advocating with authorities and other agencies, giving you emotional support, providing information (including information on church and police procedures), understanding your needs and working together on individual support plans. If face-to-face support is wanted local to where you live, we will try to make contact with appropriate agencies depending on need.

**OPENING TIMES:** *Monday, Tuesday, Wednesday, Friday and Saturday: 10.00am - 6.00pm*  
*Thursday: 12.00pm - 8.00pm* **CLOSED on Sundays**
